TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 27, 1995

SUBJECT: **SB 1327 - HB 726**

This bill, if enacted, will allow supportive living facilities for the mentally ill in Clay County to be added as participants in the supportive living facilities pilot reimbursement program. The bill will also delete the provision which requires the Department of Mental Health and Mental Retardation to submit its findings of its review of the utilization and effectiveness of the pilot project and deletes the prohibition of any additional counties in the pilot project.

The fiscal impact from enactment of this bill is estimated to be an increase in recurring state expenditures of \$3,650. This estimate is based upon five eligible beds in Clay County receiving \$2.00 per day reimbursement for 12 months.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
